THE GOID ELECTION.

The R-poblicans seem to have carried Onio by 15,000 mijority. Belarus to mage that later nevs may wear a different face. The proper being two districts of the process preached two excellent sermons to large congregations. Mr. Stamper is a young man possessing pleasant manners and un-protein allike. It is a count of silver-transitive in a superior and the silver-transitive in a superior and manner of delivery. He she displated with our peo-ple, and we are gind to know this kindly feeling is fully reciprosented—in other words the made is mutual—and we may expect the course of true love to run smooth for a year at least. The clurch cought to be pround of its new paster and endeavor to sustain him in his work of rebuilding as well as of redemption. The people will find him a faithful work-ce, and if the Old Ship of Xion doesn't make Vanceburg a regular landing place is will not be the fault of the man at the signal station.

THE SWINE INDUSTRY.

Some Startling and Intervaling Figures.

For the past fifty years avise have been grown in this country for market purpose, and since the beginning the industry has been constantly growing, until now it has reached a polat is magnitude which is quite astonish ng to those who have never before had at ago the profuse of the country was anly about 2,000,000 a year. In 1866 the number received at the Chicago market alone was 961,746; in 1876 the number was 3,912,110, and in 1884 it is was 7,059,356. Est matting the moderate price of \$4 per nead, the value of the country are sized as a second of the country was 18,216,356. Est matting the moderate price of \$4 per nead, the value of the country are of the country are of method of the country are of method with the country are of method more marginater. The aumber of hogs packed in the West during the winter sensor list country are of method with their average weight of 266,310, which country are weight of 266,310, which country are weight of 266,310, which country are respected by the Chicken are supplied by the Chicken and Price are supplied by the Ch

pounds their total cost was \$67,89, 303. The value of the pork products as cyreted during the schematy year are applied by the Citchinast Jries are applied by the Citchinast Jries are applied by the Citchinast Jries are applied to the Citchinast Jries are applied to the control of the contr

—Cays an entineat physcian: "Aman should not run after be is forty." That depends upon circumstances. Most politicians are willing to run for office at any age. Other people, who are wise, will run if they are fifty if they see a woman approaching with fury in hereys and a broomstok in her hand. —Mobile Register.
